

How I make a difference ...

"I make people at school feel special by appreciating and acknowledging their good deeds." -Nicholla Vilorio, 7th Grade

"Whenever someone gives me something special I try to give them that same special feeling in a thank you. When someone is sad I try to cheer them up. If someone is tired and has chores to do, when my parents tell me that they work so hard, I tell them that I'll take care of them when they get older." Nealsen Cayan, 5th Grade

"One way I love and serve others is by not leaving others out." -Andrea Molinar, 1st Grade

"One way I love and serve others is by helping others when they hurt." -Raul Alvarez, 1st Grade

" At home I can make a difference by keeping my environment clean. Also I could make people happier if I do my chores with a positive attitude. Maybe if I plant some trees the earth would be more beautiful. When I baby sit it will give others time to relax or they can make a difference. At school I make a difference with the Canned Food Drive. When I pick up litter, I help the animals. By teaching my friends and family things, they would know more and can pass it on. In my community I try my best to throw away my trash. Another thing is every so often I go through my clothes and the ones that don't fit I get rid of. But they go to homeless children or children that don't have much, I think they are happy when I do. Also in my community we recycle. Another community thing I do is go to church. But in the world, I conserve water when I don't let the water run." - Gia Montoya, 6th Grade

" At home I taught my parents a new prayer. At school I shared my knowledge. In the community I help pick up garbage. In the world I donated clothes, money and food." -Devin Buchanan, 3rd Grade

"I make people at school feel special by talking to them, making them laugh, calm them and just get their mind off it." -Michelle Llaguno, 7th Grade

" At home I tell my brother to behave. At school I tell them to be nice. In the community I show how to do God's work. In the world I donate some food to the poor people and pray for them." -Julia Adelantar, 3rd Grade

Activities Calendar

- April 18 Cub Scout Meeting 6:30 - 8:00 PM
- April 21 First Communion Liturgy 10:00 A.M.
SPM Church

Reunion — Class of 1994 June 23, 2007

To all our SPM Alumni and Friends:
Give us your suggestions as to how we can better keep in touch. Send us an e-mail at speter@csdo.org or give us a call at (925) 439-1014. Also, visit the SPM school website at www.stpetermartyrschool.org

St. Peter Martyr School Review

A Quarterly Publication of St. Peter Martyr School

April 2007
Volume 3, Issue 2

We Make a Difference

It is the hope and dream of all children that, somehow in their life, they will make a difference. At St. Peter Martyr School, students share their dreams and hopes for the future. How will they, by leading good Christian lives, change the world? As members of a Catholic school community we have the unique opportunity to demonstrate to the world how the love of Christ shines through our many school activities. Sometimes the activities of our students touch a small number of families; other times they touch many people in our city, our country or abroad. It is not only a privilege to be messengers of God's Good News but it is also our obligation. Having been chosen by God to follow in the footsteps of Jesus, we must announce the same message Jesus did. We, each of us, are called to proclaim that God lives in our midst. If we are at all successful, then we will truly make a difference. We hope you can join us in our efforts to live the Good News and make a difference.

Principal Joe Siino ... hope and dream of all children that, somehow in their life, they will make a difference.

Developing the Individual and Creating Community to Make a Difference

Cubs Scouts (Pack 98) from St. Peter Martyr School participate in various projects throughout the year.

Students recently participated in a canned food drive, raising nearly four tons of food in just over two weeks.

Students worked with San Francisco Opera performers in a recent production at the school.

The sixth grade safety patrol ensures the safety of our students as they walk to church.

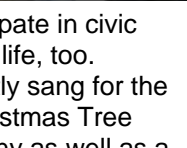

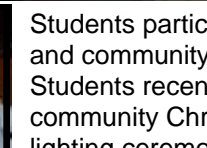

Students participate in parish life through the Santa Rosalia Festival, dramatic presentation of Our Lady of Guadalupe, and various liturgical ministries.

SPM Community

The SPM school community gathers weekly to pray, sing, honor students, and build community.

Students participate in civic and community life, too. Students recently sang for the community Christmas Tree lighting ceremony as well as a local mall.
